Subject: FL Assumption Outline of DD

Phil,

Here's the decision document outline for FL's assumption package. This closely follows MI's DD outline. The changes reflect places where I've reorganized MI's outline, eliminated items from MI's outline that seem inapplicable, or added items that are applicable. I've highlighted in yellow items that I would like you to focus on in particular.

I know we have a full agenda today but it'd be great to get this out to the rest of the team asap.

Thanks,

Matt
